## SUMMER ASSIGNMENT

In order to be successful in Physics Honors, students are expected to be familiar with and competent in basic scientific knowledge. To help ensure this, students are required to complete the chapter 1 study guide packet. This chapter covers basic topics such as the scientific method, units, measurement, etc. By completing this packet successfully, students will be able to focus on, and cover more, physics topics.

Students should print out the packet and complete it pencil or pen (black or blue ink).

More details are as follows...

- Due date: Thursday, September 7<sup>th</sup>, 2017
- Point Value: 50 points
- Method of submittal: By hard copy in class on 9/7/2017
- Late submittal penalty: 10 points each day

If you have questions or concerns over the summer, you may email me at [chris.hickman@saintjosephprep.org](mailto:chris.hickman@saintjosephprep.org).

I look forward to teaching you in the fall! By completing the summer assignment you will help to ensure that you get off to a successful start for the new school year!
