Go to the website [www.conjugemos.com](http://www.conjugemos.com).

Your “Student sign in” information is the following:

**For each assigned practice you should set the timer for 10 minutes.** The number of vocabulary words or verbs you should “attempt” and the minimum percent you need to earn are listed below in the chart. **Please only submit your score ONCE.** If you are at the deadline and haven’t met the minimum, be sure to submit your best score.

**For the vocabulary practice,** navigate to the “Spanish vocab (book)” section. The numbers in the chart refer to the practice numbers – check these carefully!

During the vocabulary practice, you **MAY NOT** click on “Vocabulary Chart.” I recommend that, before you start the practice, you study the words by either looking at the “Vocabulary List” or reviewing the “Flashcards” on the home page.

**For the verb practice,** navigate to the “Spanish verbs” section. The numbers in the chart refer to the practice numbers – check these carefully!

During the verb practice, you **MAY NOT** click on “Verb Chart”. I recommend that, before you start the practice, you study the verbs by looking at the “Conjugation Chart” on the home page.

| vocab: 80 words attempted & 85% or better correct |
| verbs: 70 verbs attempted & 85% or better correct |

You **MUST** be logged in to complete these exercises. The site will NOT keep you logged in forever. **In order to check if you are logged in, look in the upper righthand corner and be sure that it says your name.** If you see this note, it means that you are logged in.

If you reach the minimum number of vocabulary words and/or verbs AND the minimum percent correct before the 10 minutes are up, you may stop the practice. However you may want to continue to try and improve your percentage.

**Once you have completed each exercise** you will see a note that states “All Done!” It will give your score and your average percentage. It asks “Save Score?”, click on OK. You will see a note in red that states “Your grade has been recorded”.
