AP Studio Art: 2-D Design

Grade 12 elective

This course is designed for students who are seriously interested in the practical experience of art and wish to develop mastery in the concept, composition, and execution of their ideas. AP Studio Art is not based on a written exam; instead, students submit portfolios for evaluation at the end of the school year. This portfolio is broken down into 3 major components of student artwork: Quality, Concentration, and Breadth with a total of 24 total works due early May. Entry to this course is only granted after meeting with Mr. Glozzy for approval.
