

Spanish Summer Assignment Spanish 2CP & 2H 2020

If you have questions about this assignment, please feel free to contact me at sheila.bacon@saintjosephprep.org.

Each assigned practice must be completed before midnight on the due date. You may submit them at any time during the week for which they are assigned – NOT any earlier. If you will be on vacation or away from Internet access, please inform me via email and we will arrange a due date for those practices.

Directions:

Go to the website www.conjuguemos.com. Your “Student sign in” information is the following: Username: **firstname.lastname** – exactly the same as your school email (**without** the @saintjosephprep.org). Password: **sjpspanish2020** – no capital letters. This login has already been created for you, you just need to enter your username and password.

For each assigned practice you should set the timer for 10 minutes. The number of vocabulary words or verbs you should “attempt” and the minimum percent you need to earn are listed below in the chart. **Please only submit your score ONCE.** If you are at the deadline and haven’t met the minimum, be sure to submit your best score.

vocab: 60 words attempted & 75% or better correct
verbs: 50 verbs attempted & 75% or better correct
grammar: 75% or better correct

For the vocabulary practice, once you login you will see “ALL AVAILABLE ACTIVITIES” with 5 vocabulary lists.

During the vocabulary practice, you MAY NOT click on “Vocabulary Chart.” I recommend that, before you start the practice, you study the words by either looking at the “Vocabulary List”, reviewing the “Flashcards”, or playing the games.

For the Spanish verb practice, navigate to the “Spanish verbs” section. The numbers in the chart refer to the exercise numbers – *check these carefully!* During the verb practice, you **MAY NOT** click on “Verb Chart”. I recommend that, before you start the practice, you study the verbs by looking at the “Conjugation Chart” on the home page.

Once you have completed each verb exercise you will see a note that states “All Done!” It will give your score and your average percentage. It asks

“Save Your Score?”, click on OK. You will see a note in red that states “Your grade has been recorded”.

For the grammar practice, navigate to the “Spanish grammar” section. The numbers in the chart refer to the exercise numbers - *check these carefully!*

During the grammar practice, you **MAY ONLY** click on “Keep Trying” **ONCE**, after trying to fix your errors, you **MUST** click on “Record Score”.

You **MUST** be logged in to complete these exercises. The site will NOT keep you logged in forever. **In order to check if you are logged in, look in the upper righthand corner and be sure that it says your name.** If you see this note, it means that you are logged in.

If you reach the minimum number of vocabulary words and/or verbs AND the minimum percent correct before the 10 minutes are up, you may stop the exercise. However you may want to continue to try and improve your percentage.
