

Spanish Summer Assignment Spanish 1CP and 1H 2019

If you have questions about this assignment, please feel free to contact me at sheila.bacon@saintjosephprep.org

¡Bienvenidos a SJP! We are excited that you are joining us here in the fall. I have designed some work for you to complete by **September 5th**. These activities are intended for pre-practice, so we will go over them and make sure we know them well once school starts.

Please follow all directions carefully!

This summer, you will be using **one website:** www.quizlet.com.

Create a Quizlet account:

Username: I suggest either your first name + last initial (SenoritaB) or your first initial + last name (SBacon). I **MUST** be able to tell who you are just by your user name.

Password: spanish(your class)- no capital letters (ex: spanish1cp, spanish1h)

Quizlet Directions:

Click on this link to join the class (Spanish 1CP & 1H Summer Work) so that the quizzes are accessible to you: <https://quizlet.com/join/EMsEE54y3>

Your log-in and password should follow the same format listed above.

For each vocabulary list, check the chart below for what is required and complete each according to these directions:

1. look at the set of words and begin to familiarize yourself with them. Start to practice with the **flashcards**.
2. When you feel comfortable, practice spelling the phrases and vocab words with the **“Learn”** option. Practice with this option a few times.
3. Then, when you feel confident in your ability to identify and spell these phrases, take the **“Test”** option. When the Test screen appears, navigate to the right side of the page, and unclick the “written” option. Change the “Question limit” to the full number of terms (i.e. 25/25).
4. **You must earn at least a 75% on each test for it to count. You can take the test as many times as you need to before the assigned due date. If you**

cannot score above a 75%, you may submit your highest score.

5. Then, play **Scatter** or **Gravity** to review.

In summation, for each assignment (specified below), you are to complete the **Flashcards** practice, the **Learn** option, play either **Scatter** or **Gravity**, and take the **Test** (and score at least a 75% for it to count).

Note: see table below for the specifics of each assignment and note that there are certain exceptions to the above statement.
